

Snakes and Ladders

Playing Snakes and Ladders is fine, but it's much more fun to make your own Snakes and Ladders board first and then play. Colour each square a different colour. Then add some random ladders and snakes. Shake the dice and move your counter from square 1 to 64, going up the ladders and down when you land on a snake. The first person to get to square 64 wins.

64	63	62	61	60	59	58	57
49	50	51	52	53	54	55	56
48	47	46	45	44	43	42	41
33	34	35	36	37	38	39	40
32	31	30	29	28	27	26	25
17	18	19	20	21	22	23	24
